TO WHOM IT MAY CONCERN:

I, Gladys Ross of 81 Railroad Ave., Seabrook, N.H., would like to go on record to state the following:

Neither my Husband nor I have ever owned any Land on Cross Beach or Cross Beach Road Seabrook N.H..

We did however, own a R V Camper that we took to Cross Beach each summer and placed the R V. Camper on land owned by Rowell. The Land is now owned by the Town of Seabrook. We only stayed a couple of months out of the summer. We would remove the R V Camper each year, and take it to Collins Street or Worthley Ave. Seabrook, N.H. , where it would stay during the winter months.

We sold that R.V. Camper to Asa H. Knowles. The camper we sold him is not the camper that is presently on the approximate location we used to keep our camper at Cross Beach.

My husband never sold any land to Asa H. Knowles and Josephine H. Knowles, of Seabrook, N.H., located at Cross Beach, Seabrook, N.H.. We never owned any land at Cross Beach, Seabrook, N.H., to sell to anyone. There is a Deed dated July 29, 1981 which was recorded in the Rockingham County Registry of Deeds, on August 3, 1999, Book 3412, Page 2865. This Deed was recorded 18 years after the date it was signed. The signature on this Deed of George L. Ross is not the signature of my husband, as shown by the attached copy of the Veteran's exemption application, which bears my husbands signature.

Stockton Services
PO Box 1306 Hampton, NH 03843-1306
(603) 929-7404

August 12, 2008

To property owners in the vicinity of land owned by:

Steven J. Peterson, 15 Cross Beach Road, Seabrook, NH

Stockton Services has been engaged by the above property owner to perform a boundary survey of his property at #15 Cross Beach Road in Seabrook. In order to determine the location of the client's boundary lines, it will be necessary to find and locate monuments on surrounding and nearby properties. I will be working in your area on one or more days in the coming weeks. Found monuments and survey control points will be flagged for easy recovery. Please do not assume that any flagged point is a boundary marker until our work is completed and the boundary plan is finalized. I would also appreciate any information you might have regarding lost or obliterated monuments.

We will make every reasonable effort not to disturb you in the course of our work. Please note that as a licensed land surveyor it is my duty and responsibility to ascertain the correct location of existing property lines regardless of the interests of the owners on either side of the boundary.

I would be happy to respond to any questions or concerns which you might have and can be reached via my office phone (603 929-7404).

Thank you for your patience and cooperation.

Sincerely,

Tocky B.
